This matter comes before the Public Service Commission of South Carolina (“Commission”) on the Petition of Genesis Telecommunications Company, LLC (“Genesis” or the “Company”) for Reinstatement of its Certificate of Public Convenience and Necessity. On November 3, 2009, Genesis’s Certificate was revoked for failure to file its required annual report by Order No. 2009-793. On November 16, Genesis submitted its annual report and requested reinstatement. On November 18, 2009, the

Office of Regulatory Staff (“ORS”) submitted a letter opposing reinstatement of Genesis’s Certificate on the grounds that, while it may have submitted its annual report, the Company was listed on ORS’s Petition for Rule to Show Cause as not having filed its required year end 2008 USF worksheet. Also, ORS reported that the Company had failed to file its required Gross Receipts Report and Quality of Service Report.

In response to this information, by Directive dated December 2, 2009, the Commission denied Genesis’s Petition for Reinstatement until the Company filed its 2008 Universal Service Fund worksheet. On February 19, 2010, ORS subsequently advised the Commission that Genesis had filed the worksheet and all other required reports.

Since Genesis’s Certificate was revoked for its failure to file an annual report, and its November 16, 2009 request for reinstatement of its Certificate initially denied due to failure to file its 2008 Universal Service Fund worksheet, we now find that the Company is in compliance with its annual report and 2008 Universal Service Fund worksheet requirements, and therefore grant the request of Genesis to reinstate its Certificate, subject to compliance with all other applicable Commission rules and regulations. We also find that the Company is now in compliance with all of its other reporting requirements and no Rule to Show Cause proceeding is outstanding at this time.

This Order shall remain in full force and effect until further order of the Commission.

Elizabeth B. Fleming, Chairman
